Coming Together As a Community

The recent COVID-19 economic and emotional impact has become a defining moment in history. Perhaps later it will become a footnote, but for now it feels overwhelming. We sincerely hope that everyone remains healthy through this unprecedented time. Undoubtedly, we are each juggling daily life and the way we live it for a variety reasons. This may be our story for a few weeks or months, but the families we support, through our 5 charities, have a different story. They live this life everyday. They keep fighting and living for the brighter days when the trees are blooming, their pantry shelves are stocked, the children are in school and a paycheck is in the bank.

How can we help others through this difficult time?

We refuel our emotional tanks, pull ourselves up and travel the road - TOGETHER as a community. We laugh, hug, pray, and most importantly HELP. Help those who cannot otherwise help themselves.

"Alone we can do so little, but together we can do so much!"

OUR PLAN - RAISE \$100,000

- Immediately DONATE \$25,000 split amongst each of our 5 charities
- CANCEL our Havana Nights May 1, 2020 Event - replace with online COVID-19 Relief Fund campaigning
- Fund FOOD and MEDICINE for seniors homebound within Senior Services of North Fulton Program
- Fund home FOOD bundles and school SUPPLIES for the underprivileged children in the Star House Program
- Provide CRITICAL SUPPLIES via Amazon to Wellspring Living supporting those rescued from Human Trafficking
- Fund a HOME for a homeless family in the HomeStretch Program
